Behaviour Fifth Canadian Edition is the most student-engaging book in the market. It makes Organizational Behaviour relevant to students, no matter what their background or work experience (or lack of) or their career goals. As a pared-down version of the highly successful Langton franchise, this text is targeted at the college and university-transfer market for those who need a lighter, more accessible text.

### **Chapter 1**

The authors focus on key concepts, real-life applications, and best practices, while at the same time providing updated OB examples and theories that are the backbone of organizational behaviour. The Fifth edition is concise and flexible and has maintained the adaptability of the text to a traditional one semester term, summer and inter-sessions, management development seminars, MBA program and/or a distance learning program.

Organizational Behaviour, Eighth Canadian edition, is truly a Canadian product. While it draws upon the strongest aspects of its American cousin, it expresses its own vision and voice. It provides the context for understanding organizational behaviour (OB) in the Canadian workplace and highlights the many Canadian contributions to the field.
