Parts and Wholes: Fragmentation in Prehistoric Context by ...

The 'Parts and Wholes' project is concerned with the relationship between complete objects and their fragments. The primary premise of the book can be concisely stated: deliberate object fragmentation was commonplace in the past, with widespread re-use of the ensuing fragments in an extended life 'after the break'. It has been the contention of much recent research that deliberate ...

Parts and Wholes: Fragmentation in Prehistoric Context ...

However, while Libby et al. considered a detailed model of a binary fragmentation of cell clusters, they did not investigate the whole range of fragmentation outcomes. In our own previous work, we have exhaustively analysed all possible ways of fragmentation and found evolutionarily optimal life cycles in various environments [ 25 ].
