"College Physics," Second Edition is the best solution for today's college physics market. With a unique, new, approach to physics that builds a conceptual framework as motivation for the physical principles, consistent problem solving coverage strategies, stunning art, extensive end-of-chapter material, and superior media support, Giambattista, Richardson, and Richardson delivers a product that addresses today's market needs with the best tools available..

"Physics" 2nd edition is an alternate version of the "College Physics" 3rd edition text by Giambattista/Richardson/Richardson. The key difference is that "Physics" covers kinematics and forces in the more traditional organization of beginning with Kinematics and proceeding to forces. ("College Physics" takes an integrated approach to forces and kinematics, introducing forces and interweaving kinematics.).
