Playing, Laughing and Learning with Children on the Autism Spectrum: A Practical Resource of Play Ideas for Parents and Carers: A Practical Resource of Play Ideas for Parents and Carers Second Edition: Moore, Julia: Amazon.sg: Books

This book is not just a collection of play ideas; it shows how to break down activities into manageable stages, and ways to gain a child's attention and build on small achievements. Each chapter covers a theme, including music, art, physical activities, playing outdoors, puzzles, turn-taking and using existing toys to create play sequences.

Praise for the first edition: 'An approachable and practical edition that will be welcomed by parents and carers alike. I know how hard it can be to find 'How to' resources for parents. Well here is a gem.' - Children, Young People and Families Parents of young children newly diagnosed as on the autism spectrum are often at a loss for ideas about how best to help their child. Playing, Laughing and Learning with Children on the Autism Spectrum is not just a collection of play ideas; it shows how to break down activities into manageable stages, and looks at ways to gain a child's attention and motivation and to build on small achievements. Each chapter covers a collection of ideas around a theme, including music, art, physical activities, playing outdoors, puzzles, turn-taking and using existing toys to create play sequences. There are also chapters on introducing reading and making the most of television. This updated second edition contains an extensive chapter on how to use the computer, the internet and the digital camera to find and make resources and activities, and suggests many suitable websites to help parents through the internet maze. The ideas are useful both for toddlers and primary age children who are still struggling with play.

101 ways to energize any ho-hum day Created by award-winning educators, these easy-to-learn, giggle-as-you-go games are designed to be both fun and educational. These activities in reading, logic, science, measuring, listening, social studies, and math are the perfect complement to your K-5 curriculum. Get the fun and the learning started with games such as: Bug Bite: Players flip over vocabulary word cards and slap the table when a bug card comes up. Whoever slaps first reads all the words and then keeps the card. The child with the most cards wins! Bull's-Eye Feather Math: Children blow feathers around a bull's-eye game board with straws as they sharpen their multiplication skills. Geography Baseball: Players find map locations that are " pitched " to them. The more " hits " they get, the faster they score runs. Fishy Facts: Players snag paper fish with a fishing pole and hook. If they can answer the question on the side of the fish, they score. . . . and many more! BONUS: Games are ranked for noise levels!
