Creating a Client Portrait Checklist. Dec 11, 2013 | Blog, Cheryl Woods, Family Portraits, Portrait Photography, Working with Clients. Getting your self organized before a portrait shoot is essential. Start by putting together a checklist for you and your clients. The clearer the communication is up front, the more satisfied your clients will be. Place the PDFs for the clients as downloadable content on your site to help them prepare for and know what to expect during shooting.

Portrait Client Guide - atcloud.com

Some portrait photographers go as far as eliminating left and right from their vocabulary altogether and instead use “this way” or “that way” along with a simple hand gesture. Pro Tip: When using your hand to make a gesture, always have the back of your hand facing your client. Putting you palm to someone's face can appear rude.
