Remote Cardiology Consultations Using Advanced Medical ...

"NATO operations have expanded in recent years, and the old Cold War concept of every nation provides its own medical support is no longer tenable, nor is it NATO policy. In the future, NATO medical care will often be provided on a multinational basis, especially in case of emergencies such as NATO response to natural or man-made disasters or to terrorist actions.

Remote Cardiology Consultations Using Advanced Medical ...

In September 2005, a NATO sponsored Advanced Research Workshop (ARW) titled " Remote Cardiology Consultations Using Advanced Medical Technology -- Applications for NATO Operations " was conducted in Zagreb, Croatia and provided a forum to discuss the advances in diagnostic medical technologies as they apply to the specialty of cardiology.
