Two girls, two stories, one novel. I think what Lauren Oliver set out to do here insofar as format is really interesting and original – Replica is a flip book, meaning that instead of having an integrated POV, you can literally flip the book over and start the other POV afterward.. or read chapter-by-chapter.

[Replica Quotes by Lauren Oliver - Goodreads](#)

The stunning new standalone novel from New York Times best-selling author Lauren Oliver. It's been five years since Mia and Brynn murdered Summer Marks, their best friend, in the woods. Increasingly obsessed with a novel called The Way into Lovelorn and by their fan-fiction imagining of its sequel, the girls were drawn by an undertow of fantasy into the magical world they'd created.
