The only book of its kind that covers report writing for correctional officers as well as police, Report Writing Fundamentals for Police & Correctional Officers reviews the basics of proper grammar, covers the practical aspects of writing good reports, and includes sample forms and scenarios that allow users to apply what they have learned. This “how to” guide offers learners the chance to write four typical police reports and two typical corrections reports. For future police and correctional officers.

Officers, whether working in patrol, investigation, or custody, are required to write reports every day. These reports will be used during the course of criminal investigations, prosecutions of suspects and incarcerations of convicted felons. Excellent reports help prosecutors convince a judge or jury that the accused did in fact commit the crime. Report Writing for Police and Correctional Officers provides potential and in-service officers an opportunity to strengthen their writing ability by presenting a brief introduction to the written English language, as well as specific police and correctional related report writing skills.

Fundamentals of Investigative Report Writing teaches readers how to precisely construct investigative reports, whether for criminal, employment-policy, or employee-performance investigations. Dedicated to helping report-writers produce valuable extrinsic documentation, the book explains how to describe "what happened and why" in clear, concise terms. Topics include writing attitude and ethics, the "always" rules of writing, tips for conducting successful interviews, techniques for writing with precision, purposes and techniques for editing and proof-reading, and how to incorporate sketches, drawings, diagrams, and other visuals. The book also addresses considerations when writing United States Constitutional-based reports, as well as strategies involved in other forms of written communication such as e-mail, business letters, memoranda, and social media. This edition features a chapter devoted to performance evaluations that helps supervisors to be accurate, state things efficiently, insure the quality of the organization, and develop the employee. Each chapter includes learning objectives, chapter summaries, specific writing assignments, and a feature story related to the chapter's content-focus. Illustrations have been carefully selected to support the written text. Thoughtfully developed to set students and instructors up for success, Fundamentals of Investigative Report Writing is ideal for technical education programs in administration of justice, criminal justice, and law enforcement and courses on investigative and police report writing and report writing for criminal justice and law enforcement professionals.

Thoughtfully developed to set students and instructors up for success, Fundamentals of Investigative Report Writing is ideal for technical education programs in administration of justice, criminal justice, and law enforcement and courses on investigative and police report writing and report writing for criminal justice and law enforcement professionals. After twenty-five years in law enforcement, Gary Guthrie retired and brought his experience and expertise to the university classroom. A faculty member at both Point Loma Nazarene University and Southwestern College in San Diego, he teaches criminal justice courses with a significant focus on the role of quality written documentation. Professor Guthrie relies on his own extensive investigative report-writing experience, which encompasses criminal, administrative, and policy investigations, to inform his teaching and his approach to foundational skills development in his students.

The bestselling guide to reporting writing, updated and reworked for today's practice Essentials of Assessment Report Writing offers effective solutions to the creation of reader-friendly, yet targeted, psychological, and educational assessment reports. Parents, clinicians, clients, and other readers need more than test-by-test descriptions—they need an accessible analysis of the entire situation to determine their next steps. This book provides clear guidance for busy practitioners seeking ways to improve their report writing skills. With a focus on current practice, this new second edition covers DSM-5 updates and the latest assessment instruments including the WJ IV, WISC-V, WAIS-IV, KTEA-3, and the CAS2. New discussion includes advice

on tailoring the report to the audience, and annotated case reports provide illustrative models of effective report styles, interpretation, and analysis. Key concepts are highlighted for quick reference throughout, and end-of-chapter questions help reinforce understanding. Reporting styles vary widely within the field, in both content and style; there is no definitive "standard," but many reports fail to reflect best practices and therefore prove less than useful to the reader. This book provides expert guidance throughout the reporting process to help practitioners provide high-quality, accessible reports. Integrate assessment results to provide a person-centered report Identify and navigate critical decision points in the interpretive process Write efficiently yet effectively while enhancing the reader's experience Provide an accurate, informative, and readable assessment report Incorporate practical recommendations to address the referral concerns Expertly-conducted assessments should culminate with a carefully constructed analysis that provides direction via clear communication. Because this report will be used to inform treatment, intervention, and ultimately, the client's quality of life—it is critical that it provides clear, informative guidance in a way that readers can understand. Essentials of Assessment Report Writing provides comprehensive guidelines for navigating through the report writing process.

Criminal Justice Report Writing offers both recruits and experienced officers a wealth of information about report writing. A pre-test and post-test help you assess your strengths and determine which skills need your attention. Topics include organizing and writing reports, bullet style, reviewing sentence skills, avoiding usage errors, and applying the specialized vocabulary needed for report writing. Sample reports are included. Exercises are provided throughout the book, and an Answer Key allows you to check your progress at each step.

Combines the basics of two disciplines--investigation and report writing--and bridges the gap between them in order to teach the basics involved in writing a police report.

Become the writer you have always wanted to be! Pat is a writer, a writing coach and a publisher. As you read 'How to Write - Right!' you will see that is also a teacher - and so, your book and writing skill are waiting for you at the end of the book.

The manner in which criminal investigators are trained is neither uniform nor consistent, ranging from sophisticated training protocols in some departments to on-the-job experience alongside senior investigators in others. Ideal for students taking a first course in the subject as well as professionals in need of a refresher, Introduction to Crimin
