For Oxfam, global

Access Free Research In

citizenship is all about encouraging young people to develop the knowledge, skills and values they need to engage with the world. And it's about the belief that we can all make a difference. Education for global citizenship is not an additional subject - it's a framework for

Access Free Research In

learning, reaching beyond school to the wider community. It can be promoted in class through the ...

Social Education

What is Global
Citizenship? | Oxfam
GB

Global citizenship education is a form of civic learning that involves students' active participation in

Access Free Research In

projects that address global issues of a social, political, economic, or environmental nature.

The two main elements of GCE are 'global consciousness'; the moral or ethical aspect of global issues, and 'global competencies', or skills meant to enable

Access Free Research In

learners to participate
in changing and
developing the world.
The promotion of
GCE was a response
by governments and
NGOs to the
emergence of su
