I bought my first gun, a Ruger 10/22 Carbonite Rifle, and was taking it apart to learn how it works - including the trigger. After hours of googling and youtubing, couldn't find a very good video. This is perfect - my fault for not checking Instructibles.com first :)
Thanks much mate!

The stock Ruger 10/22 charging handle is designed to be comfortable for as many users as possible, and therefore, tends to be more comfortable for some gun owners with smaller hands. Overall, we think the stock charging handle on the Ruger 10/22 is a durable product, and while it may not be the best around for everyone's unique needs or tastes, it's much better than some other stock parts on many guns.
