### Sacred Knowledge Psychedelics And Religious

Sacred Knowledge is the first well-documented, sophisticated account of the effect of psychedelics on biological processes, human consciousness, and revelatory religious experiences. Based on nearly three decades of legal research with volunteers, William A. Richards argues that, if used responsibly and legally, psychedelics have the potential to assuage suffering and constructively affect the quality of human life.

Sacred Knowledge: Psychedelics and Religious Experiences ...

Without explicitly acknowledging it, Sacred Knowledge picks up where William James ' classic The Varieties of Religious Experience left the reader wondering about mystical experiences occasioned by psychedelic substances. With a single unsuccessful attempt with mescaline, and only ephemeral insights provoked by nitrous oxide, James never dedicated a chapter to exogenously engendered mystical states of consciousness.

Sacred Knowledge | Columbia University Press

I would give Sacred Knowledge one star--one more entry into the crowded "this is what I think about psychedelics because of my own drug experiences--" if Richards' model's weren't gaining such unquestioning traction. While the success of this psychotherapy model is undeniable, that success doesn't qualify it as a new religion.
