An intense look at the rules of high school attraction -- and the price that's paid for them. A list is posted, and one girl from each grade is chosen as the prettiest, and another is chosen as the ugliest. Nobody knows who makes the list. It almost doesn't matter. The damage is done the minute it goes up. This is the story of eight girls, freshman to senior, "pretty" and "ugly." And it's also the story of how we see ourselves, and how other people see us, and the tangled connection of the two.

It's been ten years since clean-cut, sexy-as-hell police officer Todd Keenan had a white-hot fling with wild, uninhibited rocker Erin Brown. What happened between them got under his skin/even if love wasn't in the cards just yet! Now that they're back together, picking up where they left off is tough in light of Erin's troubled past. The passion they share transforms Erin, but it may not be enough to face the evil she thought she had left behind.

Kill Time Till Time Kills You. A neo-noir tale of love, memory and murder from legendary writer Ann Nocenti (The Seeds, Daredevil) and rising Italian artist Flavia Biondi (La Generazione) making her American comics debut. Ruby Falls is a sleepy town. But sleep brings nightmares, and 20-something Lana is about to wake up in the middle of her hometown's biggest secret: the "disappearance" of Betty Gallagher, who was infamous for her progressive ways during the mobster-ruled heyday of this old mining town. The dim details of this cold-case murder are trapped in the mind of her grandmother Clara, who suffers from dementia. When Clara starts to share these deeply-buried, violent memories with her, Lana is hooked. She becomes obsessed with cracking the case, even if it means snapping the minds of everyone involved, splintering the peaceful town--and putting herself in grave danger. Ruby Falls is a mystery woven through three generations of women, and hinging on their individual, intertwined fights for freedom. Collects Ruby Falls #1-#4.

Ranging from the hilarious (defeating closet monsters with a [istun] blaster that offers surprising facts about bears, Mars, and cats) to the sweet (the gray scale-to-color transition out of depression at the touch of a loved one), this collection explores the bonds within a family and all the characters who bring both order and chaos to life. Lunarbaboon's perfect meld of crabby humor and moments of impactful honesty give these comics a wide range and distinctive voice that's both comical and sincere.
