Wing Commander: The Secret Missions is an add-on to the original Wing Commander and was released in 1990. Unlike the original game it doesn't feature a branching story-line. You must proceed from system to system until the Kilrathi are defeated. If you lose in any system you'll be forced to complete the Retreat missions on the losing path.

MORE WAR... A desperate attack on the Kilrathi homeworld had succeeded in destroying the entire planet, including the Emperor and his warlords. The surviving Kilrathi, on warships and on their colony worlds were hopelessly demoralized and had sued for peace. The catlike warrior race was no longer a threat to Earth and its colonies. Thirty-five years of war had finally come to an end, bringing peace in our time. They thought... The reality was more ominous. There were still plenty of independent Kilrathi warlords surviving, commanding a formidable array of warships and weaponry. Some wanted revenge on the apes who had destroyed the sacred homeworld, some wanted to set up their own new empires, and some were simply content to go pirate, raiding human colonies at will. But back on Earth, the war-weary people and their leaders turned a deaf ear to reports
