Study Solutions

sections based on the above areas. Every care has been taken by the author to see to it that each section has case studies that contribute to the holistic understanding of a subject area. Conceptual understanding of the subject area along with application of theory is what this book offers. The questions at the end of each case study test the understanding of a case study by a student. The author hopes that this book will serve good to all students pursuing marketing management curriculum in various universities.

This text with cases provides a contemporary overview of key issues in the marketing of services. It explores many issues that are familiar to students with a foundation in principles of marketing, and re-assesses these in the context of services. Up-to-date case studies and examples developed throughout chapters help students to fully appreciate those issues that are specific to services marketing: methods of defining the service offer; conceptualization, measurement and management of service quality; managing
