Simon Basset, the irresistible Duke of Hastings, has hatched a plan to keep himself free from the town's marriage-minded society mothers. He pretends to be engaged to the lovely Daphne Bridgerton. After all, it isn't as if the brooding rogue has any real plans to marry - though there is something about the alluring Miss Bridgerton that sets Simon's heart beating a bit faster. And as for Daphne, surely the clever debutante will attract some very worthy suitors now that it seems a duke has declared her desirable. But as Daphne waltzes across ballroom after ballroom with Simon, she soon forgets that their courtship is a complete sham. And now she has to do the impossible and keep herself from losing her heart and soul completely to the handsome hell-raiser who has sworn off marriage forever!

From New York Times bestselling author Julia Quinn comes the first novel in the beloved Regency-set world of her charming, powerful Bridgerton family, now a series created by Shonda Rhimes for Netflix. In the ballrooms and drawing rooms of Regency London, rules abound. From their earliest days, children of aristocrats learn how to address an earl and curtsy before a prince—while other dictates of the ton are unspoken yet universally understood. A proper duke should be imperious and aloof. A young, marriageable lady should be amiable...but not too amiable. Daphne Bridgerton has always failed at the latter. The fourth of eight siblings in her close-knit family, she has formed friendships with the most eligible young men in London. Everyone likes Daphne for her kindness and wit. But no one truly desires her. She is simply too deuced honest for that, too unwilling to play the romantic games that captivate gentlemen. Amiability is not a characteristic shared by Simon Basset, Duke of Hastings. Recently returned to England from abroad, he intends to shun both marriage and society—just as his callous father shunned Simon throughout his painful childhood. Yet an encounter with his best friend's sister offers another option. If Daphne agrees to a fake courtship, Simon can deter the mamas who parade their daughters before him. Daphne, meanwhile, will see her prospects and her reputation soar. The plan works like a charm—at first. But amid the glittering, gossipy, cut-throat world of London's elite, there is only one certainty: love ignores every rule... This novel includes the 2nd epilogue, a peek at the story after the story.

Impatient with the strictures of polite British society, Miss Abigail Harewood has decided to live life on her own terms—and the first thing she requires is a lover. But tempting Wallingford into her bed proves more difficult than she imagined. Restless and dissatisfied with his debauched life in London, the formerly rakish duke is determined to spend a year chaste. But as Abigail tries her best to seduce him, Wallingford finds his resolve crumbling in the face of her irresistible charm...and her alluring secrets.

What does it take to turn a wallflower into a wildfire? Miss Margaret Merriot is known as Daisy to her friends. But she is totally unknown by the larger world. Penniless, orphaned, and shy, Daisy is a true wallflower, destined to live out her days in the shadows, working for her thankless stepfamily. Living in the English countryside, Daisy knows that nothing special will happen to her...until she meets a most unusual duke. Tristan Holbrook never wanted to become the Duke of Lyon, but when fate ever favored him? Scarred by war, uneasy in his new life, and now saddled with a massive estate that can't pay for itself, Tristan needs a miracle to turn things around. One day, his path leads him directly to Daisy, and now he can't get his shy but sweet neighbor out of his mind. Daisy is charmed by Tristan's direct manner and his unpretentious ways, not to mention his brooding good looks. But he's a duke, and must marry an heiress to fulfill his obligations. He's expected to announce his choice at the harvest ball. Daisy seems doomed to loneliness...unless she can change her destiny during one magical night... *The Wallflowers of Wildwood* follows five young women as they leave their beloved boarding school and venture out into the cutthroat world of the marriage mart. Get ready, London. These wallflowers are wilder than you think!
