Groups signs with similar shapes and movements in chapters such as numbers, money and quantity, and thoughts, emotions, and ideas, with new sections on the latest computer and technology signs.

This comprehensive guide to American Sign Language features more than 3,500 separate signs, a step-by-step approach to signing, and exercises and drills to increase speed and understanding

An introduction to the expressive language of the deaf, organized by subject areas, including pets, people, numbers, sports, travel, science, thoughts and feelings, and places.

Provides a step-by-step course for learning sign language, covering individual letters, common phrases, facial expressions, and body language

Discover the intricacies of American Sign Language with this comprehensive, essential guide to learning the basics of sign language. The appeal of American Sign Language (ASL) has extended beyond the Deaf community into the mainstream—it's even popular as a class in high school and college. You are guided through the basics of ASL with clear instruction and more than 300 illustrations. With a minimum of time and effort, you will learn to sign: the ASL alphabet; questions and common expressions; numbers, money, and time. With info on signing etiquette, communicating with people in the Deaf community, and using ASL to aid child development, this book makes signing fun for the entire family.

Organized by subject area and featuring easy-to-follow directions and illustrations, more than three thousand signs encompass familiar phrases for greetings, travel and direction, shopping, emergencies, health and medical conditions, and everyday expressions. Original.

Uses almost 1,400 photographs to present a comprehensive guide to the techniques, words, and phrases used in American Sign Language.

American Sign Language (ASL) is a vibrant, easy-to-learn language that is used by approximately half a million people each day. Current with the latest additions to ASL and filled with thousands of brand new photographs by Deaf actors, Learn American Sign Language is the most comprehensive guide of its kind. - Learn more than 800 signs, including signs for school, the workplace, around the house, out and about, food and drink, nature, emotions, small talk, and more. - Unlock the storytelling possibilities of ASL with classifiers, easy ways to modify signs that can turn "fishing" into "catching a big fish" and "walking" into "walking with a group." - Find out how to make sentences with signs, use the proper facial expressions with your signs, and other vital tips.

Demonstrates the Ameslan sign language gestures for six hundred words and includes memory aids for recalling each sign
