It appears that the main concept behind achieving a sissygasm is to psychologically move your erogenous zone back, from the base of your sissy clitty, across the perineum, to your sissy pussy. It's imperative to STOP thinking of your smallish—and hopefully shrinking—penis as your primary, or even secondary sexual organ.

Some of you may be familiar with some of the material included in the course or may have already gone through some of the assignments in the past. However, never have these lessons been combined in a back-to-back format before, so that they comprise a rigorous program which culminates in your complete male to female transformation. This program will be your strongest training weapon and one you can go through and refer to over and over again when you feel you are losing your sissy touch or need to feel sexier, prettier or more grounded in your "sissyhood". At the end of this manual you will find a mandatory Sissy Test, and whether you have taken this or another test in the past, you must re-take it at the end of your training as it will be an absolute accurate measure of your level of progress and success in this training program. I will only consider scores of 50 or above as passing grades but are encouraged to retake the entire course if your score is below 90. Only scores of 90 or above are considered excellent and entitle you to print the diploma that is found at the end of this course. You are encouraged to document your journey by writing about your experiences on my blog www.mistress-dede.com I wish you all the best of luck! With love, Mistress Dede

If you simply want to know more about dominant-submissive relationship, this is the best solution for you. Know and identify your desires and get the pleasure that you always deserve from this rare connection. Owning and helping a consensual slave is not that easy because you need knowledge in training them to act like one. The rules should be strictly implemented once the submissive agree to the contract. However, there will be punishments when a rule is broken intentionally or not. This is why it's very important that you educate your consensual slave with all the necessary details as they will be held responsible for every act that they do. The terms consensual, sane and safe are actually the keystones of carefully practicing such lifestyle.

Sex. This is one, if not the most, wonderful gift that humans were bestowed with. Just imagine the world without the gift of sexual activity between opposite sexes? There could have been an absence of this pleasurable experience that everyone in the right age enjoys. While everyone seems to view sexual intercourse as a kind of activity that is supposed to be regarded with respect and conservatism, some people have gone out of their way and formed a new orientation about it. To some, sexual activity is no longer an act of sacred human reproduction but a way of executing creativity and expression of unexplainable behaviors and attitudes. Specifically, this book focuses on BDSM. What does BDSM stand for? What does the whole term mean? Why is there such a thing as BDSM training? All these and more questions will be answered as you continue reading this entire book.

Are you emotionally exhausted trying to hide your feelings from everyone? Do you feel that you identify better with a woman's gender role than a man's? Have you thought about what it would be like to wear women's clothing, or engage in activities that women predominately do? Do you believe that you have more effeminate traits than masculine traits? If you answered yes to any of these questions then perhaps you should look into becoming sissy. Transitioning into your true gender role can sometimes be emotionally challenging but it can also be quite rewarding. Once you have completed your transformation into becoming a sissy boi you will feel free to be your true self. You will feel more comfortable breaking the traditional stereotypes that society has placed upon us as a whole. With the help of your sissy trainer or Mistress you will feel more emotionally fulfilled in a woman's role.
