issues that continue to plague the United States. Discussing and analyzing the extent and nature of various problems and their potential solutions, the book stands as a guidepost for people with an interest in "helping" professions -- sociologists, educators, social workers, etc.

Through a sociological lens, students are able to gauge recurrent social issues and examine the benefits and possibilities of solutions. The Tenth Edition teaches students to apply research and knowledge to solve some of our nation's most crippling problems. 0134126955 /

Social Problems: A Down to Earth Approach, 11/e is a theoretically balanced text that provides the latest research and a consistent structure to help students analyze critical social problems facing the United States.

File Type PDF Social Problems Plus New

The author presents both sides of an argument with a neutral voice and uses a "down-to-earth" writing style. By using this text, not only do students gain a sociological understanding of social problems, but also they are able to explore and evaluate their own opinions about specific social problems. They will gain a greater awareness of the social forces that shape their orientations to social problems and their perspectives on social life. The ideas in this book penetrate students' thinking and help give shape to their views of the world. MySocLab for Social Problems features an engaging student experience including an interactive eText, the New Core Concepts Video Series, the New Social Explorer. Teaching & Learning Experience Personalize Learning - MySocLab is

Social Problems: A Down to Earth
Approach

Social Problems in a Diverse Society provides students and instructors with a text that covers all the major social concerns we must deal with today. It focuses on the significance of racialization and ethnicity, age, sexual orientation, class, ability, and gender in understanding social problems in Canada and around the globe. Throughout the text,

File Type PDF Social Problems Plus New

MySocLab with Student Access Card Package, 13th Edition

people--especially those from marginalized groups--are shown not merely as "victims" of social problems, but also as individual actors with agency who resist discrimination and inequality and seek to bring about change in families, schools, workplaces, and the larger society.
