"Double Agent" is very similar to most of the  
other games from this genre. There's also a  
stealth meter that's displayed at the end of  
each level. You will be punished for  
knocking out enemy soldiers or even  
destroying sources of light.

Agent One - The Splinter Cell Wiki

Tension is a major component of the game, with players serving as an undercover double agent. Sneaking around enemy HQ can be suspenseful. The entire game is about sneaking around guards avoiding detection. The player also has to make life or death situations often such as either planting a bomb or defusing it.
