pounds more. That's the benefit of making things tough on yourself - Competition becomes an easy thing.

Squat Every Day w/ Cory Gregory of MusclePharm - Barbell ...

Cory Gregory from MusclePharm recently re-structured his squat everyday program and is calling it Squat Everyday 2.0 (Bench Most Days). Cory says he took what he learned from his squat every day program, combined it with bits and pieces he picked-up from some great bench pressers and has given us yet another option for some crazy gains - The Squat Every Day 2.0 program.

Squat Everyday by Corey Gregory

Squat Every Day. The squat is one of the most powerful human movements and has a wide range of physical and mental benefits. By squatting heavy every day, you'll do more to transform your body than focusing on anything else. It will add total-body strength, size, and a massive serving of steely resolve. This is for the hardcore.

Talking Squat Everyday with Travis Mash - CoryG

Just like with his Squat Every Day program, the key to lifting frequently (especially in the deadlift), is to carefully consider movement variation. If you keep lifting the way you've always lifted, with the same exercises, then you will keep getting the same results. ...
