the steeldrivers announce bad for you Dec 7, 2019 On February 7, 2020, The SteelDrivers will release Bad For You, their fifth studio album and the follow-up to their GRAMMY®-winning 2015 release The Muscle Shoals Recordings.

The Steeldrivers

The SteelDrivers are a bluegrass band from Nashville, Tennessee. Members include fiddler Tammy Rogers, bassist Mike Fleming, guitarist/vocalist Kelvin Damrell, mandolinist Brent Truitt, and banjoist Richard Bailey. Past members include Chris Stapleton, Gary Nichols, and Mike Henderson. The band has recorded four albums on the Rounder Records label and one independent live album recorded at The ...

The SteelDrivers - YouTube

The SteelDrivers began as a group of veteran Nashville session players looking to form a group of their own. The first lineup included Richard Bailey on banjo, Mike Fleming on bass, Mike Henderson on mandolin, Tammy Rogers on fiddle, and Chris Stapleton on guitar and lead vocals. Stapleton’s bluesy, hoarse, Tom Waits-like singing really set the SteelDrivers apart in the often-generic ...

The Steeldrivers may play traditional bluegrass, but they do it with a style that’s informed by outlaw country and rock & roll attitude. Mike Henderson, who plays mandolin, resophonic guitar, and harmonica and also co-writes the majority of the band’s original tunes, was one of the founders of the Dead Reckoning label, an alt-country label that released some of the best non-Nashville country ...

To win a wager, cyborg Jon Hundred must compete with a computerized mining machine to see who can tunnel first through a huge mountain on the planet Pellay

An outlaw on his death bed, Jeremiah Thorne, is given a second chance by God. He was chosen for a higher purpose. Now, he has become a soldier of Christ and must do battle against the forces of evil. In 1867, the Central Pacific Railroad is being threatened by an unknown force. Travis Rayne, Jr., has set in motion a deadly plot to seize control of the project from his father. Enlisting the help of a revenge-seeking Apache shaman, he uses a mysterious beast to frighten the workers to make it east to take charge. While Travis tries to maneuver control, the self-serving shaman has his own secret agenda. Together they just might unleash a power more terrible than anything they could imagine.

To many people it may seem that Chris Stapleton was an overnight success. One day he had a respectable fan base; the next his country music album had rocketed to the number one spot in all music genres. But he had actually been working in the country music business for many years as a songwriter before his performance with Justin Timberlake on the CMAs turned him into a household name. As a devoted fan of classic country music, Chris has a unique sound in a sea of country music artists who often cross over onto the pop music charts. But Chris remains true to delivering the powerful and traditional country songs for which he is known.

Various themes and styles are represented in this anthology of comic and tragic works by Black American playwrights.

More than 100 of the best, most thrilling accounts of hauntings from one of the nation’s leading experts, including...
• Headless ghosts and wandering soldiers at Droop Mountain
• The Weeping Woman tombstone at Riverview Cemetery in Parkersburg
• John Brown’s restless spirit in Harpers Ferry and Charles Town
• The violent ghosts at the Western State Penitentiary in Moundsville
• Hauntings of the murdered Mamie Thurman
• Tortured spirits of the Trans-Allegheny Lunatic Asylum in Weston

Various themes and styles are represented in this anthology of comic and tragic works by Black American playwrights.

Talkin' to Myself: Blues Lyrics, 1921-1942 is a compendium of lyrics by the great blues recording artists of the classic blues era. It includes over 2000 songs, transcribed directly from the original recordings, making it by far the most comprehensive and accurate collection of blues lyrics available.

“ The spirit of balladry is not dead, but slowly dying. The instincts, sentiments, and feelings which it represents are indeed as immortal as romance itself, but their mode of expression, the folksong, is fighting with its back to the wall, with the odds against it in our introspective age. ” This statement by Josiah Henry Combs is that of a man who grew up among the members of a singing family in one of the last strongholds of the ballad-making tradition, the Southern Highlands of the United States. Combs was born in 1886 in Hazard, Kentucky, the heart of the mountain feud area—a significant background for one who was to take a prominent part in the “ ballad war ” of the 1900s. Combs ’ s intimate knowledge of folk culture and his grasp of the scholarly literature enabled him to approach the ballad controversy with common sense as well as with some of the heat generated by the dispute. Although in the early twentieth century there was probably no more controversy about the nature of the folk and folksong than there is today, it was a different kind of controversy. Many theories of the origins of folksong current at that time, such as the alleged relationship of traditional ballads to “ primitive poetry, ” did not take into account contemporary evidence. Combs said, “ Here as elsewhere, I go directly to the folk for much of my information, allowing the songs, language, names, customs . . . of the people to help settle the problem of ancestry. . . . In brief, a conscientious study of the lore of the folk cannot be separated from the folk itself. ” Folk-Songs du Midi des États-Unis, published as a doctoral dissertation at the University of Paris in 1925, was an introduction to the study of the folksong of the Southern Appalachians, together with a selection of folksong texts collected by Combs. Folk-Songs of the Southern United States, the first publication of that work in English, is based on the French text and Combs ’ s English draft. To this edition is appended an annotated listing of all songs in the Josiah H. Combs Collection in the Western Kentucky Folkllore Archive at the University of California, Los Angeles. The appendix also includes the texts of selected songs. The aim of this edition is to make the contents of the original volume more readily available in English and to provide an index to the Combs Collection that may be drawn upon by students of folksong. The book also offers texts of over fifty songs of British and American origin as sung in the Southern Highlands.
