Omaha poker has gained much popularity and is the most played poker game online and at casinos after Texas Holdem around the world. Despite the rise in popularity, it is still hard to find good omaha strategy books. Overall the Super System poker book series written by Doyle Brunson definitely deserves a spot in any serious poker player's library. It is a 666 page counting piece of poker history, which covers the basic poker strategy for many types of poker games, at a relatively cheap price.
