All Suzuki's official documentation (user manuals, mechanical service manuals, electrical wiring manuals, etc.) are divided by these types. In other words, a particular manual is made for only one type (in most cases). Or in more other words, each type has its own set of manuals. But there are exceptions (explained further down below!).

Used Suzuki Jimny The Suzuki Jimny has been around internationally and in various guises for a long time now, but in the UK, we've known it in its current form since 1998. This is a funky little off-roader which hasn't really changed much since it launched. Engine line up has only ever been small, the Jimny has always come with a 1.3-litre petrol unit, apart from a brief period between 2004 ...
