The Creationist Debate, Second Edition: The Encounter ...

This book places the present Creationist opposition to the theory of evolution in historical context by setting out the ways in which, from the seventeenth century onwards, investigations of the history of the earth and of humanity have challenged the biblical views of chronology and human destiny, and the Christian responses to these challenges.

The Creationist Debate: The Encounter Between the Bible ...

The Creationist Debate provides a much richer historical framework for understanding creationism in America by situating it within the long history of biblical interpretation. Prof. McCalla frames the evolution-creationism controversy in the U. S. by weaving it into a discussion of western European religious history and its intersection with the history of western science.
