an administrator-  
surgeon ' s life, as well as  
the tragedies and  
moments of joy that  
occur every day in a  
hospital—a place where  
life often begins and  
ends.

The second edition of  
Handbook of Autopsy  
Practice appeared in 1979  
under the title Current  
Methods of Autopsy

# Read Book The Final Diagnosis

Practice (W. B. Saunders Company); that edition was out of print in the early 1980s. Now, over 20 years later, it appeared timely to thoroughly update the material in a third edition by adding what we have learned in the meantime and eliminating text that has become obsolete. There is an acute need for a complete and readily

# Read Book The Final Diagnosis

What Autopsies  
Reveal About  
Life And Death

accessible resource for  
autopsy work because  
few pathologists still  
specialize in autopsy  
practice and, as a  
consequence, expertise in  
autopsy technology and  
autopsy pathology has  
declined. Our colleagues  
in the forensic field have  
remained the only large  
group of autopsy  
practitioners. For most  
other pathologists, the

# Read Book The Final Diagnosis

economic situation, time constraints, and the steadily decreasing autopsy rates have made a career in autopsy pathology unattractive.

This state of affairs is perpetuated by a lack of interest among many of our young colleagues, partly because the teaching of autopsy pathology and autopsy techniques during most

# Read Book The Final Diagnosis

residencies is insufficient.

Numerous articles have  
be moaned this situation,  
but the trend, I fear, is

irreversible. Still,

autopsies will be

requested, particularly in

complex and difficult

situations where the

questions remaining after

the death of the patient

might challenge even

experienced autopsy

pathologists. Under these
