The Game is a mental game where the objective is to avoid thinking about The Game itself. Thinking about The Game constitutes a loss, which must be announced each time it occurs. It is impossible to win most versions of The Game. Depending on the variation of The Game, the whole world, or all those aware of the game, are playing it all the time.

Uncharacteristic hot and cold behavior such as telling you they miss you, but backing out of a follow-up, could be a sign your ex is attempting to dishonestly keep their options open.. Giving you just enough to keep you from drifting off in a new direction, but not committing to action, is perhaps the most common sign of a game being played. It gives them the luxury of both worlds.
