The Greco-Persian Wars (also often called the Persian Wars) were a series of conflicts between the Achaemenid Empire and Greek city-states that started in 499 BC and lasted until 449 BC. The collision between the fractious political world of the Greeks and the enormous empire of the Persians began when Cyrus the Great conquered the Greek-inhabited region of Ionia in 547 BC.

**Greco-Persian Wars - Wikipedia**

Greco-Persian Wars, also called Persian Wars, a series of wars fought by Greek states and Persia over a period of almost half a century. The fighting was most intense during two invasions that Persia launched against mainland Greece between 490 and 479.

**265 Best Greco- Persian Wars images in 2020 | Greco ...**

It's an excellent starting point for the Greco-Persian Wars going into most if not all important facets. On one side the author achieves nuanced exposition, plays Devil's advocate when least I expected it and tries to point out the good things about both the Persians and Sparta. On the other hand, he is very big on Themistocles and radically so.
