The Incas of Cieza de Leon (Civilization of the American ... More than four hundred years ago, Pedro de Cieza de Leon set out to conduct the readers of his time - and of subsequent generations - over the Royal Road of the Incas. His chronicles of Peru, published in 1553 and 1880, rank with Bernal Diaz del Castillo's account of the conquest of Mexico. While previous English translations have been much abridged, and for many years unavailable, this ...

Chronicles of the Incas, 1540.

Another view of the Incas, from a conquistador. It provides quite a lot of information about the Incan economy--a redistributive typical of all early civilizations. It is told for a fact of the rulers of this kingdom that in the days of their rule they had their representatives in the capitals of all the provinces, for in all these places there were larger and finer lodgings than in most of the other cities of this great kingdom, and many storehouses.

The Inca civilization arose from the Peruvian highlands sometime in the early 13th century. Its last stronghold was conquered by the Spanish in 1572. From 1438 to 1533, the Incas incorporated a large portion of western South America, centered on the Andean Mountains, using conquest and peaceful assimilation, among other methods.
