The interdict was an important and frequent event in medieval society. It was an ecclesiastical sanction which had the effect of closing churches and suspending religious services. Often imposed on an entire community because its leaders had violated the rights and laws of the Church, popes exploited it as a political weapon in their conflicts with secular rulers during the 13th century.

The Interdict in the Thirteenth Century: A Question of ...  
The critical period for this process was the thirteenth century. It was  
at that time, as this impressive new study demonstrates, that the  
interdict first achieved full theological elaboration and legal  
clarification, and also when its status as the chief political sanction of  
the papacy was established.

INTERDICT IN 13TH CENTURY C: A Question of Collective ...  
It considers interdicts imposed on three towns: San Gimignano,  
Dax, and B é ziers. It is shown that the interdicts on these three  
towns largely worked because most clergy observed them. Even so,  
the lay powers who occasioned these sentences tried to disrupt their  
enforcement. Keywords: interdicts, San Gimignano, Innocent III,

that the rites and services of the church are banished from having validity in certain territories for a limited or extended time.

## Interdict - Wikipedia

a form of ecclesiastical pressure or punishment in the Catholic Church; a temporary ban placed by the pope (or sometimes by a bishop) on worship and religious ceremonies (excluding excommunication from the church) within a particular area (a local interdict). Sometimes it is placed on particular people and is known as a personal interdict.

## Interdicts | Article about interdicts by The Free Dictionary

This chapter traces the evolution of the interdict's terms from the customary practices of the early 13th century to the fully articulated and systematic definition that existed in law and legal doctrine a century later. The lines of development are not always clear, however, and the evidence of practice that emerges from the 13th-century papal registers and other sources is patchy.
