Based on ethnographic research, this book explores the ways in which elite women use and view money in order to construct identities of class, status, and gender. Drawing on their everyday worlds, it tracks the intricate and contested meanings they attach to money. Focusing on weddings, travel, and spirituality, Parul Bhandari delineates the entitlements and privileges as well as the obsessions and vulnerabilities that underlie the construction of class, the shaping of elite cultures, and the curating of femininity. As such, this book offers an innovative account of the interplay between money, modernity, class, and gender.

Paying attention to our personal finance is essential to lead a life with a sense of security, confidence and happiness.

Achieving financial independence is the core purpose of managing our personal finance. Financial independence is defined as the state where one does not need to work and can deploy their accumulated assets, to earn their living. This book is meant for the middle-class citizens of India, with minimal knowledge and/or background in finance or accounting. It intends to be a no-nonsense one, with no pretensions of telling the reader how to get rich quickly. It contains detailed information about the fundamentals of the financial instruments so far as personal finance is concerned. It also contains opinions and recommendations from globally recognized experts in the field of investment and finance. It hopes to enable the reader to take control of their own finances, rather than depend on financial advisors, many of

friend, the man who became his mentor and his rich dad. One man was well educated and an employee all his life, the other's education was street smarts over traditional classroom education and he took the path of entrepreneurship a road that led him to become one of the wealthiest men in Hawaii. Robert's poor dad struggled financially all his life, and these two dads these very different points of view of money, investing, and employment shaped Robert's thinking about money. Robert has challenged and changed the way tens of millions of people, around the world, think about money and investing and he has become a global advocate for financial education and the path to financial freedom. Rich Dad Poor Dad (and the Rich Dad series it spawned) has sold over 36 million copies in English and
