The Novel An Alternative History
Encyclopedic in scope and herocally audacious, The Novel: An Alternative History is the first attempt in over a century to tell the complete story of our most popular literary form. Contrary to conventional wisdom, the novel did not originate in 18th-century England, nor even with Don Quixote, but is coeval with civilization itself.

The Novel: An Alternative History: Beginnings to 1600

"The Novel: An Alternative History 1600-1800, spans two centuries of the world's most popular literary form and introduces readers to an entirely new way of thinking about literature. [...] Moore derives true pleasure out of re-creating worlds that would otherwise seem unreachable to modern readers.

The Novel: An Alternative History: 1600-1800: Steven Moore

In The Novel: An Alternative History (2010) Steven Moore (b. 1951) is trying to make a polemical point: the insistence by many readers and certain literary critics that novelists conform to standards and conventions for the novel established in Europe in the 19th century is unnecessarily limiting and ignores the actual development of the novel through different times and cultures, a veritable Oceanus of a development of which the putative canonical novel is just one rivulet. To prove his point,
