There are different types of play that children are a part of in a preschool and role play is one amongst it. Role play area is an important part of the preschool classrooms as this area helps nurture a child ' s imagination; improves their social skills, creativity and develops their intellectual abilities.

EFFECTIVE ROLE PLAY PLAYS A ROLE IN LEARNING - Early ...

Role-playing is the changing of one's behaviour to assume a role, either unconsciously to fill a social role, or consciously to act out an adopted role. While the Oxford English Dictionary offers a definition of role-playing as "the changing of one's behaviour to fulfill a social role", in the field of psychology, the term is used more loosely in four senses: To refer to the playing of roles generally such as in a theatre, or educational setting; To refer to taking a role of a character or perso

Role-playing - Wikipedia

Playing isn't just fun, it's also the best way for young children to learn. By playing, children can practise all the skills they'll need as they grow up. To grow and develop, children need time and attention from someone who's happy to play with them. Parents should make the time to play with a first or only child.
