The Weekend Navigator

"The Weekend Navigator" provides a strong foundation in the time-honoured skills of piloting, and with this book you can practice those skills on the water, using GPS to keep you pointed in the right direction. Praise for Bob Sweet's "GPS for Mariners" includes: "[Sweet] has the solid and fundamental mastery of the subject that lets him guide the reader step by step through the entire system...Nothing is left out, and nothing is wrong."

The Weekend Navigator teaches you how to navigate using today's tools and methods, including the latest technologies such as smart phones. While electronic navigation is here to stay, author Bob Sweet recognizes that they are still based on traditional charts and piloting skills, and he combines the two to pass along to you a solid understanding of all the principles of marine navigation.
