"He Walks with Dragons" takes place when what was, what is, and what shall be were one in the same. Draig, a boy on the verge of his manhood, is summoned to the majestic mountain by the Great Ones. There he finds out he is about to transcend the ages and risk his life to prevent the destruction of mankind. Born into the naïve innocence of ancient man, Draig lives a simple pastoral existence in a quiet, small village. But one day he is flung on a magical journey into a forbidden new world. There, Draconos, a dragon, befriends the boy, training him in the art of warfare. From this day forward, the young boy finds himself in awe at the wonders the world holds for him. Not only has Draig become a man, but he is living like a dragon and learning their mystical powers. "From the time Man first crawled upon this earth—we found him worthy to take his rightful place among the creatures that walk upon the earth. While hiding in the shadows, we have protected him. We have nurtured him all these many ages. But now man grows in great numbers and makes war on everything he sees." And when the time comes, will Draig be willing to lay down his life for the sake of saving the dragons? And when the dragons are gone, where will he go? He is no longer just a man.

Fenicus Flint, a young dragon, lives with the last of his fading species in a secluded mountain sanctuary known as Berathor Valley. With few clues to guide him, the young dragon embarks on a dangerous quest beyond the sheltering walls of his homeland to find his loved ones before their flame is extinguished

Hidden in the forgotten tunnels beneath the castle of Thorilleia lies an ancient book written by a powerful wizard. Two young men set out to find the book, which is said to contain a mysterious secret. Their journey takes them across rugged mountains and through dense forests where they encounter dangerous creatures and strange cultures. When they reach Thorilleia, they find themselves thrust into a pivotal role in a war between great kingdoms. Loaded with action and unexpected twists, Dragon's Dust is not just a quest for riches and power; it's an adventure story where integrity, determination, and courage prevail in dire circumstances.

According to José Stevens and Lena Stevens, business leaders and shamans share many important traits: the abilities to solve problems, to achieve goals, to see the big picture, and to forecast events. What their previous book, *Secrets of Shamanism*, did for the growth of the individual, *The Power Path* does for the growth of business managers and entrepreneurs. On the basis of years of study with shamans, the authors share a new way of thinking about the nature of power. By applying shamanic traditions of power to the workplace, readers learn how to improve work relationships, to understand employees' strengths and limitations, and to inspire effective teamwork — techniques aimed ultimately toward increasing business success.

"The seven archetypes of Artisan, Sage, Server, Priest, Warrior, King, and Scholar have always existed in every society; and everyone belongs to one of these groups. Thousands of people around the world have used this system ... to discover their true nature and to find fulfillment"--Page 4 of cover.

For untold centuries, the shaman was the tribe's most revered and respected member, possessing the unique ability to tap into the universal source of wisdom by journeying deep within the self -- seeking, and finding, answers to pressing questions, achieving profound understanding by avoiding the stumbling blocks of the outer material world. Developing techniques for communicating with the innermost world of the spirit can be a valuable boon in these modern times with their contemporary problems and concerns. Through a series of easy-to-follow exercises, lessons, and rituals, psychologist Jose Stevens and wife, Lena, can show you how to identify your inner spiritual guides -- and how, through a unique and powerful communication with them, you can achieve undreamed-of professional success, psychological enlightenment, and personal fulfillment ... and completely change the way you live your life.

A book about facilitating inner peace, exploring the integration of inner peace counseling and transformation-oriented bodywork.
