****AWARDED A MUMSNET RATED BADGE 2017**** ‘Exceeded my expectations! In-depth introduction to weaning, including useful nutritional information, plus lots of lovely recipes appropriate to each stage of weaning – and the ones for toddlers are fantastic for the whole family to share, too!’ Mumsnet Reviewer

Like all parents, Topsy Fogg and Janice Fisher wanted to give their babies the best possible start in life. And like Jamie Oliver before them, they realised that the best start begins with what they give their children to eat. Topsy and Janice are the founders of the award-winning organic baby food brand, Truuuly Scrumptious, a delicious range of homestyle, top-quality food for babies aged six months through to toddlers. In this beautifully illustrated book, Topsy and Janice share their scrumptious recipes to ensure that parents give their babies all the essential nutrients that are vital for healthy growth and development. They also explain how to wean babies; why going organic is best; and how to source, prepare and cook the best-quality ingredients. From vitamin-packed first stage purées such as butternut squash and broccoli through more substantial meals such as lamb and apricot casserole to finger foods such as carrot, courgette and cheese muffins, these recipes are so tasty parents will be making extra portions for themselves too!

AVAILABLE TO PRE-ORDER NOW I'm finally at a point in my life where I can see a little more clearly. Writing is such a personal process and between these pages you will find many little pieces of me. I want to share my truths in the hope that maybe they'll help you too. Reflections explores what it means to live a beautiful life in the modern world. Here, for the first time, Holly Willoughby untangles topical and emotional issues such as body-image, burnout and control with candour, nuance and hard-won insight. This book will start conversations, whether they're about how to find your signature lipstick, reclaim your sexuality, or treat yourself more kindly - and, ultimately, help you on your way to feeling beautiful, confident, complete. A heartfelt, perceptive book about finding beauty, inside and out.

A complete recipe guide to weaning babies and toddlers into solid foods from the UK's #1 children's cooking author. For 25 years, Annabel Karmel has been the person families turn to when it comes to delicious, nutritious recipes for weaning children onto solid food. While lots of parents start out with smooth spoon-led purees, baby-led weaning (BLW) is fast growing in popularity. But you don't have to choose one or the other. Baby-Led Weaning Recipe Book is designed to offer a flexible approach to weaning. These expert recipes are designed to offer a flexible approach to weaning with simple methods and everything parents need to know about getting started with self-feeding. Baby-Led Weaning Recipe Book is a must-have resource for parents and is the perfect standalone guide for those wanting to explore this method exclusively.

Chocolate Mint Meltaways. PB&J Cups. Chai Latte Lollipops. Cherry Cordials, Spicy Pralines, and the cult favorite, Beer and Pretzel Caramels. Plus candy bars—the Twist Bar, the Nutty Bar, the Coconut-Lime Bar, inspired by commercial favorites (Snickers, Twix) but taken to new heights of deliciousness. And the French-style sea salt caramels that Daniel Boulud claimed were better than those he'd tasted in France. Yes, you really can make these sublime treats at home thanks to Liz Gutman and Jen King, the classically trained pastry chefs who traded in their toques to make candy—and now lead the candy-craft movement as proprietors of Liddabit Sweets, the Brooklyn confectionery whose products have drawn the attention of The Early Show, Fox and Friends, the Cooking Channel, O, The Oprah Magazine, Real Simple, Food & Wine, GQ, and more. Doing for candymaking what Jeni's Splendid Ice Cream did for ice cream, The Liddabit Sweets Candy Cookbook is the perfect marriage of sugar and spice, packed with 75 foolproof recipes, full-color photographs, and lots of attitude. The approachable recipes, offbeat humor, and step-by-step photographs remind us that home candymaking is meant to be fun. The flavor combinations, down-to-earth advice, and easy directions make this the guide to turn to whether making candy for a treat, a holiday, a gift, or a bake sale.

This delightful seasonal cookbook for creating delicious whole-grain breakfasts using natural sweeteners presents 65 recipes for cereals, granolas, porridges and mueslis, as well as toppings and basics such as homemade yogurt and almond milk.

An intimate family memoir written by a mother on the adoption process. Following the invisible thread of connection between people who are seemingly intended to become family, journalist Jennifer Grant shares the deeply personal, often humorous story of adopting a fifteen-month-old girl from Guatemala when she was already the mother of three very young children. Her family's journey is captured in stories that will encourage not only adoptive families but those who are curious about adoption or whose lives have been indirectly touched by it. Love You More explores universal themes such as parenthood, marriage, miscarriage, infertility, connection, destiny, true self, failure and stumbling, and redemption. Sections include: A Whisper The Waiting Learning to Know In Love You More, Jennifer describes the way she feels God has brought her family together and completed it with the adoption of her daughter.

"Unforgettable."—The New York Times "Lyrical and atmospheric." —Bustle "A satiating psychological horror tale." —Cultured Vultures SOON TO BE A MAJOR MOTION PICTURE APRIL 2019 LIBRARY READS PICK "Mother knows best" takes on a sinister new meaning in this unsettling thriller perfect for fans of Neil Gaiman, Grimms' Fairy Tales, and Aimee Molloy's The Perfect Mother. Everyone says Lauren Tranter is exhausted, that she needs rest. And they're right; with newborn twins, Morgan and Riley, she's never been more tired in her life. But she knows what she saw: that night, in her hospital room, a woman tried to take her babies and replace them with her own...creatures. Yet when the police arrived, they saw no one. Everyone, from her doctor to her husband, thinks she's imagining things. A month passes. And one bright summer morning, the babies disappear from Lauren's side in a park. But when they're found, something is different about them. The infants look like Morgan and Riley—to everyone else. But to Lauren, something is off. As everyone around her celebrates their return, Lauren begins to scream, These are not my babies. Determined to bring her true infant sons home, Lauren will risk the unthinkable. But if she's wrong about what she saw...she'll be making the biggest mistake of her life. Compulsive, creepy, and inspired by some of our darkest fairy tales, Little Darlings will have you checking—and rechecking—your own little ones. Just to be sure. Just to be safe.

Baby-led weaning is the healthy, natural way to start your baby on solid foods—no stress, no fuss, no mush! Ten years ago, Baby-Led Weaning ended the myth that babies need to be spoon-fed purées. In fact, at about six months, most babies are ready to discover solid food for themselves. Today, baby-led weaning (BLW) is a global phenomenon—and this tenth anniversary edition of the definitive guide explains all its benefits: Baby participates in family meals right from the start, and learns to love a variety of foods. Nutritious milk feedings continue while Baby transitions to solids at his or her own pace. By self-feeding, Baby develops hand-eye coordination, chewing skills—and confidence! Plus, this edition is updated with the latest research on allergy prevention and feeding Baby safely, a guide to using BLW at daycare, and much more. Here is everything you need to know about teaching your child healthy eating habits that will last a lifetime.
