The Story of Wacky Soap is a quick way of introducing the scheme of work, included in the full script. The illustrations provide a wealth of ideas when producing the musical.

Something doesn't smell right at Mr. Abel Throppe's bakery. Eighteen customers are sick, and they're blaming it on his pie! What could have caused this awful epidemic? It seems a funny bunny fly has taken up residence in the bakery. You see, Funny Bunny Fly doesn't like to be clean. Prior to entering the bakery, he rolled in some dog doo-doo and is spreading germs all over town! Mr. Throppe better keep his bakery clean, or he's going to lose his customers and gain a permanent new tenant. The Funny Bunny Fly is a cautionary tale about hygiene that's playful and fun. Bethany Straker's silly rhymes are complemented by her colorful and wacky illustrations. The Funny Bunny Fly is sure to keep the laughter bubbling—and, hopefully, the soap too! Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

This is an allegorical tale about drug abuse (also applies to alcohol or tobacco). While washing with wacky soap leads to instant happiness and an inclination towards outrageous behaviour, prolonged use washes away limbs and leads to dematerialization.

Read Jeff Alexander's posts on the Penguin Blog. A couch potato's book of wisdom— 100% commercial free! Some say that entire generations of Americans are being raised by the television...like that's a bad thing. Not so, says author Jeff Alexander, long-time television writer, advocate of education by television, and recapper for the popular website Television Without Pity. Here, he offers the ultimate in life lessons as seen on TV. Topics include: • Saved by the Bell: School on TV • Somebody Save Me: Super Powers and Magic Spells • Tell Me Why I Love You Like I Do: Relationships on TV • Making A Living: The Workplace • And more With a smart, snarky style, Alexander guides readers through important lessons gleaned from years of TV reviewing (now in convenient book form!), freeing up a whole new generation to learn other things, like how to cure cancer or solve world hunger...or anything more useful than watching TV (Author's note: Just joking... there is no such thing).

When Isabella Antonelli becomes an overnight YouTube sensation in a documentary detailing her REAL, non-royal Italian American family, she needs to figure out a way to tell everyone at her fancy new school the truth about her family—or come up with some better lies. Brimming with offbeat humor, Isabella for Real sets the scene for an eccentric, multi-generational family drama that will have readers laughing out loud and giving Isabella's performance a standing ovation.

When life gets your goat, bring in the herd Jennifer McGaha never expected to own a goat named Merle. Or to be setting Merle up on dates and naming his doeling Merlene. She didn't expect to be buying organic yogurt for her chickens. She never thought she would be pulling camouflage carpet off her ceiling or rescuing opossums from her barn and calling it "date night." Most importantly, Jennifer never thought she would only have \$4.57 in her bank account. When Jennifer discovered that she and her husband owed back taxes—a lot of back taxes—her world changed. Now desperate to save money, they foreclosed on their beloved suburban home and moved their family to a one-hundred-year-old cabin in a North Carolina holler. Soon enough, Jennifer's life began to more closely resemble her Appalachian ancestors than her upper-middle-class upbringing. But what started as a last-ditch effort to settle debts became a journey that revealed both the joys and challenges of living close to the land. Told with bold wit, unflinching honesty, and a firm foot in the traditions of Appalachia, Flat Broke with Two Goats blends stories of homesteading with the journey of two people rediscovering the true meaning of home.

The fairy tale lives again in this book of forty new stories by some of the biggest names in contemporary fiction. Neil Gaiman, "Orange" Aimee Bender, "The Color Master" Joyce Carol Oates, "Blue-bearded Lover" Michael Cunningham, "The Wild Swans" These and more than thirty other stories by Francine Prose, Kelly Link, Jim Shepard, Lydia Millet, and many other extraordinary writers make up this thrilling celebration of fairy tales—the ultimate literary costume party. Spinning houses and talking birds. Whispered secrets and borrowed hope. Here are new stories sewn from old skins, gathered by visionary editor Kate Bernheimer and inspired by everything from Hans Christian Andersen's "The Snow Queen" and "The Little Match Girl" to Charles Perrault's "Bluebeard" and "Cinderella" to the Brothers Grimm's "Hansel and Gretel" and "Rumpelstiltskin" to fairy tales by Goethe and Calvino and from China, Japan, Vietnam, Russia, Norway, and Mexico. Fairy tales are our oldest literary tradition, and yet they chart the imaginative frontiers of the twenty-first century as powerfully as they evoke our earliest encounters with literature. This exhilarating collection restores their place in the literary canon.
