In the world of What's Left of Me, children are born with two souls. One of those souls is dominant, and the other is recessive. Within a few years of the child's life, the recessive soul will fade away (settle) leaving behind the dominant soul. But what happens when you don't settle, and are known as a Hybrid?

And the world she creates in What's Left of Me Is Yours feels very sure under foot: deeply researched, but delicately described. Scott gives a clear sense of place and time, from contemporary Tokyo...

~~What's Left of Me Is Yours by Stephanie Scott review ...~~

4.0 out of 5 stars nick lachey - whats left of me Reviewed in the United Kingdom on 2 February 2007 This album is a proper break up album, but that doesnt diminish what a great album it really is.

~~What's Left Of Me: Amazon.co.uk: Music~~

What's Left of Me is a book that took me completely by surprise. I found the concept so original and compelling that I was almost worried my expectations could not be met. The beginning is a bit slow, mostly because of some very necessary world-building.

~~What's Left of Me (The Hybrid Chronicles, Book 1): Amazon ...~~

This gives What's Left of Me a relatively fresh feel, at least superficially, but the songs slavishly follow the boy band formula for the turn of the century -- which is a setback in itself, but their lack of memorable melody hurts it even more.

~~What's Left of Me — Nick Lachey | Songs, Reviews, Credits ...~~

'What's Left of Me is Yours' is a book that defies category other than that of a wonderful read. Stephanie Scott's detailed research shines through to invoke a vivid tapestry of Japan as she weaves a story of love, justice and the personal search for truth through all the nuances of human relationships.

~~What's Left of Me Is Yours (Audio Download): Amazon.co.uk ...~~

At once luminous and captivating, What's Left of Me is Yours is the best kind of fiction: it tells a truth. All the easy lies about love fall away, as Stephanie Scott explores its often bitter, twisting, aching core. This is a brilliant, haunting book -- Rene Denfeld, bestselling author of THE CHILD FINDER and THE BUTTERFLY GIRL

What's Left of Me, Kat Zhang's shocking, thought-provoking, and emotionally charged story of two souls sharing one body. What's Left of Me, the first book of the Hybrid Chronicles, is set in an alternate reality where everyone is born with two souls. But one soul is naturally dominant, and in early childhood, the other soul fades away. That didn't happen for Addie and Eva. Now fifteen, Eva clings to life inside the body she shares with Addie, although she can no longer speak or even move. Addie does everything she can to hide the presence of her sister soul. Eva's very existence is illegal. If their secret is revealed, it could mean death for both of them.

"Each chapter of this enrapturing novel is elegantly brief and charged with barely contained emotion." --New York Times Book Review A gripping debut set in modern-day Tokyo and inspired by a true crime, for readers of Everything I Never Told You and The Perfect Nanny, What's Left of Me Is Yours charts a young woman's search for the truth about her mother's life--and her murder. In Japan, a covert industry has grown up around the wakaresaseya (literally "breaker-upper"), a person hired by one spouse to seduce the other in order to gain the advantage in divorce proceedings. When Sat? hires Kaitar?, a wakaresaseya agent, to have an affair with his wife, Rina, both assume it will be an easy case. But Sat? has never truly

Online Library Whats Left Of Me The Hybrid Chronicles 1 Kat Zhang

understood Rina or her desires and Kaitar?'s job is to do exactly that--until he does it too well. While Rina remains ignorant of the circumstances that brought them together, she and Kaitar? fall in a desperate, singular love, setting in motion a series of violent acts that will forever haunt her daughter's life. In an engrossing dual narrative inspired by a true crime, Stephanie Scott exquisitely renders the affair and its intricate repercussions. As Rina's daughter, Sumiko, fills in the gaps of her mother's story and her own memory, Scott probes the thorny psychological and moral grounds of the actions we take in the name of love, asking where we draw the line between passion and possession.

A contemporary romance about courage, loss, and moving on. Callie Kingston's life as an Orange County housewife isn't as perfect as it seems. Her husband isn't the same man she fell in love with nine years ago, and her home is no longer her safe haven. But she's determined to keep up appearances, especially when it comes to concealing the bruises her husband's temper leaves behind. Until Cole Luciano moves into her best friend's house across the street. He's abrasive and rude, but his steel-blue eyes tell a different story--one with dark secrets that has Callie curious. After suffering through an unspeakable tragedy, Cole settles into his sister's pool house until he can get back on

Online Library Whats Left Of Me The Hybrid Chronicles 1 Kat Zhang

his feet. He's convinced that he deserves to live with the guilt he harbors from his past, and wants nothing more than to be left alone. Yet he can't seem to stay away from his beautiful neighbor. He sees right through Callie's carefully orchestrated lies and is desperate to help her. Callie discovers more than an angry and bitter man underneath Cole's hard exterior. But when Callie finally finds the courage to create a new life for herself, Cole isn't sure if there's enough of his heart left to give in order to be the man she deserves. Can two broken souls heal each other, or are some just too damaged to be put back together? This book contains some graphic scenes and very sensitive subject matter.

"I absolutely fell in love with What's Left of Me by Amanda Maxlyn. With an uncanny ability to weave an intensely emotional story into a sexy romance, Maxlyn is a debut author you do not want to miss." - AL Jackson, NYT and USA Today Best Selling Author Life works in mysterious ways. Four years ago I became known as the girl with cancer. I refuse to cry. And I refuse to give in. A relationship with a man is the last thing I'm looking for right now, but one night with Parker changes everything. He is persistent, and he knows what he wants. Me. He doesn't treat me like I'm fragile. But he doesn't know, and I'm not ready to tell him. What if it changes everything? Tragedy found me when I was

Online Library Whats Left Of Me The Hybrid Chronicles 1 Kat Zhang

seventeen. Love found me when I was twenty-one. My name is Aundrea McCall, and this is my journey.

In the second novel in the Hybrid Chronicles—perfect for fans of Ally Condie, Lauren Oliver, and Scott Westerfeld—Eva and Addie struggle to share their body as they clash over romance and the fight for hybrid freedom. Addie and Eva escaped imprisonment at a horrific psychiatric hospital. Now they should be safe, living among an underground hybrid movement. But safety is starting to feel constricting. Faced with the possibility of being in hiding forever, the girls are eager to help bring about change—now. The answer seems to lie in a splinter group willing to go to extremes for hybrid freedom, but as Addie and Eva fall ever deeper into their plans, what they thought was the solution to their problems might just be the thing that destroys everything—including their bond to each other.

When All That's Left of Me Is Love is an intensely personal story about one family's determination to enjoy life while anticipating death. Linda Campanella's emotional account of her last year with her mother, Nancy Sachsse, wrote itself on the pages of her mind as she lay awake unable to sleep in the days and weeks following Nan's death one year and one day after a diagnosis of terminal cancer. It is a heartwarming

Online Library Whats Left Of Me The Hybrid Chronicles 1 Kat Zhang

memoir filled with insights and inspirations that will help anyone jolted into confronting the inevitability and sudden imminence of death. Join the author as she reconstructs and relives a year of living while dying and, in the process, comes to terms with the pain and permanence of her loss. When All That's Left of Me Is Love is indeed a sad story born of death, but it is above all an uplifting portrait of living, loving, believing, and letting go. It is a celebration of the special bond between mothers and daughters, a touching love story, a spiritual journey, a poetry lesson, and even a case for happy hour. This story of a daughter's undying love for her dying mother will move and inspire not only those who face or fear death but also those who love and embrace life. "This book is truly a testament of love, as the title suggests. It is about love refined and deepened by grief and gratitude. It is a tribute to a mother who loved with her last breath and beyond. It is the story of a daughter who gives herself away through the gift of her pen." -Sharon G. Thornton, Ph.D., Professor of Pastoral Theology at Andover Newton Theological School"

When Jana returns from a missions trip, she discovers that her pastor husband has left with his secretary...along with their bank account. Humiliated, penniless, pregnant, and

Online Library Whats Left Of Me The Hybrid Chronicles 1 Kat Zhang

very much alone, Jana reluctantly turns to her mother, Eleanor, in desperation. Eleanor is haunted by her own guilt and pain, and the arrival of her daughter only serves as a daily reminder of the memories she has long kept hidden away. Will a delightfully eccentric aunt become a catalyst between these two women? Will they allow God's spirit--and God's people--to bring true healing...and a future filled with love?

Secrets are revealed as OCD-afflicted Griffin grieves for his first love, Theo, who died in a drowning accident.

If I Stay meets While You Were Sleeping in this beautiful and heartbreaking novel told in dual perspectives about friendship, family, and all the other threads that bind us together. Martin and Petra meet for the first time at graduation, and though they've shared the halls of their high school for four years without crossing paths, there's an instant connection the moment they're seated next to each other at the commencement ceremony. Then a car accident puts Martin into a coma; and Petra is somehow left picking up the pieces, using friends, family, and shared dreams to keep their surprise connection going. Together they must unlock the truth of his situation, and with time running out, their bond becomes Martin's best shot at waking back up to the life he's left behind.
