When Work Disappears: The World of the New Urban Poor is a book by William Julius Wilson, Professor of Social Policy at Harvard. Wilson's argument is that the disappearance of work and the consequences of that disappearance for both social and cultural life are the central problems in the inner-city ghetto. He sought to discuss social disorganization without stigmatizing the poor. Wilson writes that chronic joblessness has deprived those in the inner city of skills necessary to obtain and keep j

When Work Disappears - Wikipedia

William Julius Wilson's When Work Disappears: The World of the New Urban Poor argues that all the problems we associate with the ghetto (e.g. crime, the drug trade) stem from deindustrialization and the subsequent unemployment, as well as government policies favoring the suburbs over the cities. Wilson also examines the role of such factors as: attitudes, family structure, and race.

When Work Disappears: The World of the New Urban Poor ...

When Work Disappears: The World of the New Urban Poor is a work of non-fiction by William Julius Wilson, a professor of Social Policy at Harvard. The book centers on the idea that a lack of economic opportunity is causing people who live in inner-city ghettos to have a hard time getting and keeping jobs that would allow them to get themselves and their families out of poverty.

In When Work Disappears (1996) I attempt to show that many of today's problems in America's inner-city ghetto neighbourhoods - crime, family dissolution, welfare, low levels of social organisation and so on - are in major measures related to the disappearance of work. It should be clear that when I speak of the disappearance of work, I am
