Choosing the Right Yamaha

100-200 HP Complete Outboard Engines for Your Boat. Yamaha is known for its outboard motors. These outboard motors aren't just for Yamaha boats; you can equip a Yamaha 115 outboard motor to any boat in the correct weight category. Yamahas 100-200HP engines are suited for light to medium boats, and they usually feature jet motors that can take you further away from shore than standard propeller systems.
